FIND A PROGRAM

## Step 1: Search for programs.

On the homepage, you can search by:

Interest | Setting | Duration

On the Programs page, you can also search advanced filters.

ADD TO MY SUMMER PLANNER 

Step 2: Once you find a program, click **ADD TO MY SUMMER PLANNER** at top or bottom of the page.

**REMINDER:** To access your Summer Planner any time, click the sun icon at the top right of the screen.

You can also access your Summer Planner in the sidebar on a program page.

### Step 3: View all of your programs in List View.

Avoid scheduling conflicts by looking at multiple programs all in one place. Click the List icon and you can select dates, add labels, and share programs!

### Step 4: Add child/label to make it easier to organize your programs.

- Choose a program date and then click add a new label
- Type in a name
- Choose a color for your label and click add label

### Option A: Share programs via email or unique webpage.

Click the Select to share icon to the right of your programs and then scroll down to page to either share by email or webpage.

Note: To save and share the programs in your Summer Planner, you'll need to register to create an account with FindYourSummer.org.

Select to share

### Option B: View all of your summer programs on a calendar with Calendar View.

View your programs on a month-by-month basis. Be sure to select a program date and color-coded label while in List View to see it on your calendar.
